

Memorial Book

In Loving Memory of

Carmen "Viva Lovisa" Franco

(March 13, 1984 - May 22, 2010)

I have died many a death in love, and yet, had I not loved I would never have lived at all

David Lasater

This memorial website was created to remember our Dearest Beloved Daughter, Grand-Daughter, Niece, Cousin, Aunt, Godmother and Great friend to many. Former fashion designer/student, successful model & lately managing director of Vivan Collections. Carmen "Viva Lovisa" Franco who was born in Sweden on March 13 1984 and passed away at her London home on May 22 2010.

You will live forever in our memories and hearts

... Carmens favourite quotes & sayings...

"There is only one happiness in this life, To Love and be loved"

"In dreams and in love there are no impossibilities"

"To the world, you are one person but to this person, you are the world"

"I don't wish to be everything to everyone, but I would like to be something to someone"

"Where's the buttons"

When she said this No one knew if she meant chocolate drops or remote control!

The background of the entire image is a soft, painterly texture in shades of olive green and brown. In the upper right quadrant, there are two roses rendered in a delicate, sketchy style. One rose is in full bloom, facing right, while the other is a bud, facing left. They are surrounded by a misty, ethereal glow.

Two roses are positioned in the upper right quadrant of the image. They are rendered in a soft, painterly style with muted, earthy tones. The rose on the right is larger and more open, while the one on the left is smaller and more tightly curled. The background is a textured, mottled brown and beige, giving the overall image a vintage, artistic feel.

June 20, 2010

A poem written in memory of my friend Viva so sadly missed XxXxXxX

Viva.....

So sad and upsetting,
Your life has disappeared
So sudden and unexpected
The thing we most feared

Your life was taken,

For no real reason
We thought you were fine
We were mistaken

Now you're gone with no return
I wish we cud have done summit
But nothing can be done

You were so loved
And you will be missed
R.I.P Viva
And I leave you with this kiss
R.I.P luv you XxXxX Stacy XxXxX

I wish heaven had a phone so I could hear your voice again! I thought of you today, but that was nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake from which I'll never part. God has you in his arms. I have you in my heart ♥

RIP Viva xxx

June 12, 2010

Condolences to all of Vivas family & friends. Needless-to-say, Viva was quite a special person. Her friendship was definitely special for me. One distinct memory I will always carry is the jogging we shared in second year after lectures. This was very meaningful for me as this period was a difficult time for me personally with my brother being killed in Iraq. The companionship she offered meant a lot to me – I will never forget it. RIP Viva, Love you xxx

Sincere condolences from myself and all at Madame V.You will be truly missed in the design and fashion world and by all that knew you in your personal life.You were an outstanding designer and model. It will not be easy to replace you.I was so worried about coming to see you on Thursday, whether it was the right thing to do or whether I should just remember you how you were, and I didn't need to be. You looked so beautiful and peaceful, just like you were about to open your eyes and could reassure me that it's all not true but no matter how much I wished for it I know it can't happen. I'm so glad I came to say goodbye in person though. Rest in peace Viva. Until the day we meet again.Love Madame V

In Memory

May 26, 2010

There are no words to take away the pain. There are no ways to not feel sad. When I heard the sirens pass by my home on that fateful afternoon, I said "I hope no one is hurt". But the story was not to be so, and my heart broke in sadness as the details of Viva came to light. I wish I could embrace this family and comfort them in their sorrow. Why Now? I asked. Why do these tragedies happen to us at all? Viva will be held in the Arms of Angels watching over her family from now on. Losing a Special Someone is never an easy thing, we must find faith and courage in knowing that the Universe has brought home a special soul. To viva's family my prayers are with you that you may heal and find comfort amongst your family and friends. For truly these events touch an entire community leaving us all more aware of how precious life really is.

I that love her and when she turns to smile, place a kiss upon her cheek and hold her for a while.

But remember my child, They are not gone for an eternity, For you have just gone on a journey, To a place their eyes can not see . Your mother will be waiting on you, With such a big smile on her face, Please just do one thing, And give her hugs & kisses from me. Rest in peace beside her my beautiful daughter. For a moment you're there with me
And then - that awful pain!!!

I'll always have the memories
They'll go on and on,
But my life will never be the same
Now that you are gone.....

RIP Sweetheart xoxoxoxoxoxo

Miss you!!! Love you always xoxoxoxox

I worked with Viva in Stockholm, and she was one of the few genuine people I knew. She was always cheerful, hardworking and polite, she seemed to always see the best in everyone and in every situation. She was a wonderful lady. It is a tragedy that she was taken so young. My heart still aches for your loss one year later.

If I could have a lifetime wish!!!

A wish that would come true
I pray to God with all my heart
For yesterday and you
A thousand words can't
bring you back
I know because I've tried
And neither will a million tears
I know because I cried
You left behind my broken heart
And happy memories too
I never wanted memories
I only wanted you!
Love you always sweetheart

Wings Of The Angels

A gentle wind blew cross the land
Reaching out to take a hand
For on the winds the angels came
Calling out a mother's name.

Left behind, the children's tears
Loving memories of the years
Of joy and love, a life well spent
And now to God a mother's sent.

On angel's wings, a heavenly flight
The journey home, towards the light
To those who weep, a life is gone
But in God's love, 'tis but the dawn.

Thinking of you Petra & Viva today

Miss you both so so much.
Much Love

Memories

I feel a warmth around me
like your presence is so near,
And I close my eyes to visualize
your face when you were here,
I endure the times we spent together
and they are locked inside my heart,
For as long as I have those memories
we will never be apart,
Even though we cannot speak no more
my voice is always there,
Because every night before I sleep
I have you in my prayer.
Love You Always

I miss you so much Carmen!

Cabe and I spent last night in your summerhouse. We both felt so close to you there. Your presence is all around us here. Your perfume still lingering in every corner of the house. I found sms texts on your phone last night. One for me one for Steen and three for Ivan. UNSENT :(:(:(Omg sweets why did you not send them? We could and would have been there for you. It's nearly 10 long weeks since you left me and my world fell apart. Some things in life are just plain wrong - your death is one of those things. I will never accept what happened - just learn to fight and control my grief. Your love for life, love of me, your family and friends and outlook on life is a lesson to everyone of us. A born fighter with the biggest heart of gold I have ever known, you are missed by me and others every hour of every day. You were the closest thing in

my life - my cousin - my best friend. I will always hold every moment we spent together close to my heart. Your spirit and strength will always be with me and I hope everything you taught me through our time together can be used to make me a better person. If there is any justice in this world you have gone to a better place where the sun always shines - just remember to save me a seat next to you. May 22nd 2010 was and always will be the worst day of my life. 'If' is the biggest and smallest word in the world - why? is something that may never be answered. You were loved by many many people and that is because you 'Carmen' were a great down to earth individual, sharp as anyone, honest, caring and stunning inside and out. I was the luckiest cousin alive. Until one day our paths will cross again You will never be forgotten - I will always love you with every piece of my heart.

I Miss You Carmen

From day one,
without knowing it,
I loved you with all my heart.
As I grew older I looked up to you and to no other.
Yes, we fought many of times but you supported,
and encouraged me in everything I did.
You were my best friend and my hero.
At night I miss the sound of your music,
I miss your giggles and posing around.
I miss your comfort and the way you made me feel safe.
I like to remember our times together good times and the bad.
I regret the times I yelled at you when you were only trying to help,
but you know I only did it because you did it to me.
I wanted to do everything you did,
because I wanted to be JUST like you!
I miss your smile,

and I miss the way the house smelt of your perfume.
But most of all I miss your reassuring hugs.
I wish I could go back and tell you how I felt,
tell you that I really need you here.
I kept your favorite robe and wear it every time I miss you like I did when I was little.
I will always love you no matter how long its been, since the day your life came to an end.
I miss my big cousin.

Viva I know we were not friends for a long time.
But our friendship was very strong.
I'm very sorry I can not answer your last letter.
But if you see me up from the heavens,
and I know you do.
You know my answer.
will never forget you kitten.

R.I.P Viva. I know your mother and grandmother take care of you now.

God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes I watched you, and saw you pass away. Although I loved you dearly, I could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke my heart to prove to me, He ...only takes the BEST.

We have lots of happy memories of you! I'm so proud to have known you! I tried to be strong for you today but couldn't help letting some tears out. I'm sorry I couldn't say goodbye at the end! Just Cya! Cos I never want to say goodbye to you! You will live on in so many people's heart's & thoughts! R.I.P Sweetheart ♥♥♥ until we meet again! Love & miss you always! Cabe xoxoxoxoxox

Carmen (Viva) was the only person who was everything to me when I had my hard times she was right there for me to help me think. She was not only my cousin she was my best friend and there was never anything I would not do for her not a single moment goes by where I dont think of her and ALL the

wonderful times we had that my heart will never forget. She loved almost every one and even if she had problem with you she would never hurt you. I'll never forget the loving smile on her face and I pray that her smile is much bigger now that shes safe. ILL ALWAYS LOVE YOU! Ventura xxx
